

## Kevin Michael Osborne

**WHEREAS**, the purpose of the Boy Scouts of America—incorporated on February 8, 1910, and chartered by Congress in 1916—is to provide an educational program for boys and young adults to build character, to train in the responsibilities of participating citizenship, and to develop personal fitness; and

**WHEREAS**, to earn the Eagle Scout rank, the highest advancement rank in Scouting, a Boy Scout must fulfill requirements in the areas of leadership, service, and outdoor skills; and

**WHEREAS**, not every boy who joins a Boy Scout troop earns the Eagle Scout rank; only about 4 percent of all Boy Scouts do so. This represents more than 1 million Boy Scouts who have earned the rank since 1911; and

**WHEREAS**, Kevin Michael Osborne successfully completed his Eagle Scout project, which included the construction and installation of a raised walkway and drainage system at the Coonrad Ranger Station at the Cuyahoga Valley National Park, making it level with the parking lot and alleviating a flooding problem; and

**WHEREAS**, having completed all the requirements set forth by the Boy Scouts of America, Kevin Michael Osborne, a member of Troop 261, of Northfield, OH has successfully earned the rank of Eagle Scout.

**NOW, THEREFORE**, be it known by all and declared by the Council of the County of Summit, State of Ohio that:

This Council recognizes the personal dedication and hard-work, and the commitment to public service that Kevin Michael Osborne has provided to his community and the County of Summit; and with great pleasure we salute and commend him for his outstanding accomplishments as evidenced by earning the rank of Eagle Scout.

We urge all citizens to join in honoring this fine, upstanding, distinguished and dedicated young man in receiving this commendation for his dedication to the public cause, this 15th day of August in the year 2009.
