December's training will be sampling review and techniques, plus review on radiation monitoring. The training will be held December 17<sup>th</sup> in Bath and December 19<sup>th</sup> in Stow.

The CAMEO class will be held at Goodyear Tire and Rubber Company, Goodyear Hall Meeting Room, on Thursday, January 2<sup>nd</sup>, Friday January 3<sup>rd</sup> and Saturday January 4<sup>th</sup> 2003, from 8:00 a.m. to 4:00 p.m. You only need to attend one day. Seating is limited, so please RSVP to Emergency Management at 330-643-2558 ASAP.

Dennis Evans and John Rodriguez are working on the Haz-Mat Weekend for summer 2003. Details to follow.

D.O.O. Hower is planning a CDL How to Drive the Truck class for all who are interested in driving 3846. The class will take place sometime in early spring. More details to come.

### COMMUNICATIONS

The communications committee is working on updated call procedures.

### SOG

If you have any suggestions or have found things that need corrected in the SOG, please let Roy Wilkerson know.

### EMS

Reminder: Physicals will be due in 2003.

### TRUCKS

3846 was out of service to have the brakes and the ether system repaired.  
3816's medium air bag is out of service.

### DECON TRAILER

Frontier tank has looked at 3846 and is coming up with a price for redoing the truck cosmetically and structurally. This would include air brakes and an

electric system, in addition to possibly removing the holding tank and purchasing a Coleman type camp toilet.

### PPE

Starting the first of the year, suits will be going to AFD to be tested. There are about 40 suits that need testing.

### DETECTION

A 12 chemical meter system with the ability to buy drop in sensors has gone out for quotes.

### FORMS

There will be several new forms issued. They are sick building; video camera operations, supply and incident report forms.

### GENERAL

If you have not had your picture taken for the new SCSORT ID, please send a digital photo to Mike Oberuch, at Emergency Management, as soon as possible. (E-mail is [moberuch@exec.summitoh.net](mailto:moberuch@exec.summitoh.net).)

The next Hazardous Materials Zone Coordinators meeting will be December 9th, 19:00, at Stow Fire Department, 3800 Darrow Road.

### TROT

If you have any ideas on where to hold classes, please contact D.O.O. Jackson, Cuyahoga Falls Fire Department, (330) 971-8400.

Dates for the SOG meeting are being checked into. The meeting will be in the first part of 2003.

If you have any suggestions for changes in the SOG, please submit them to the following:

Trench – Tom Kamp  
Dive - John Carney  
Rope – Tim Morgan  
Structural – Joe Natko

The next TROT Zone Coordinators meeting will be December 10th, 19:00, at Valley Fire Department, 1775 Main Street, Peninsula.
