January 2003

## **TRAINING**

February's training will be held on the 20<sup>th</sup> at Stow Fire Department and the 25<sup>th</sup> at Bath Fire Department. The topic is Health and Safety and Medical chapters from the IAFF book.

The Hazardous Materials weekend has changed. We are looking at an in-county exercise in early September. More information will follow as it becomes available.

## **SOG**

Please take a look at the current SOG. If you have any corrections or suggestions, please contact Roy Wilkerson, Akron Fire Department.

If you have any corrections or suggestions for changes in the TROT SOG, please submit them to the following:

Trench – Tom Kamp  
Dive - John Carney  
Rope – Tim Morgan  
Structural – Joe Natko

## **EMS**

**REMINDER:** Physicals are due in 2003.

## **TRUCKS**

Lou Ann Metz is presently working on a tracking system for hazardous material equipment.

3846 decon unit had emergency repairs to fix the air starter problem. Other repair work needed for the 3846 are: the governor, electric starter and the battery box. These repairs are slated for February.

Repairs to the trailer are to be performed at the same time.

Haz Mat has moved 3846, 3856, 3800 and some trailers to the new building located on Marsh Road, in Stow. Until a heating system can be installed, certain items will remain at Stow Station 1.

## **PPE**

Entry suits have gone to AFD for testing. Four suits failed the testing. They have been added to the training equipment.
