County of Summit Officials Focus on Connecting Parents and Children with Community Resources, Summit for Kids

On Saturday, August 21, 2010, from 10 a.m. - 4 p.m., the County of Summit will host a new community event designed to connect parents and children with community resources at the John S. Knight Center in downtown Akron. The event, titled Summit for Kids, is free and open to the public.

Featured activities include: free immunizations, free dental services for children (ages 3 - 6), free physicals, free school supplies, a teen fashion show (at 1 p.m. on the event stage), crafts and activities for children, educational sessions for parents, entertainment & demonstrations on the event stage and meet-and-greet opportunities with "Diego" from Nickelodeon and "Word Girl" from Western Reserve PBS.

Summit County Juvenile Court representatives will be facilitating the Operation Fresh Start program from 11 a.m. - 4 p.m. The free service provides juveniles with an opportunity to have their court records sealed or have their "Failure to Send" or "Truancy Warrant" documentation recalled before the school year begins.
