

COUNTY OF SUMMIT
THE HIGH POINT OF OHIO

RUSSELL M. PRY, EXECUTIVE

HOUSING REHABILITATION
PROGRAM FACT SHEET

This sheet describes the types of loans available as well as criteria used to determine eligibility and levels of assistance. The condition of the home, household size and annual income will be considered when determining the type and amount of assistance.

ELIGIBILITY:

In order to be eligible, applicants must:

- Have a total household income that is at or below 80% of the Area Median Income (AMI).
- Be the owner/occupant of record at the time of assistance;
- Be current on property taxes and/or on a payment plan;
- Have current property insurance, and when applicable flood insurance;
- Have enough equity in their home to secure a mortgage that does not exceed 95% of the loan to value ratio.

If you have received assistance through the Summit County Housing Rehabilitation program within the past five (5) years, you are not eligible for assistance.

Applicants are reviewed on a first-come, first serve basis. It is important that originals, not copies, of all household income and homeowner's insurance be included with the completed application. The Loan & Grant Officer will evaluate applicants for eligibility and the capacity to assume a loan. Prior to final approval, a Housing Rehabilitation Coordinator will inspect the home and determine if the necessary repairs are feasible and eligible under our program guidelines. **Funds will be used to correct health and safety issues, and/or incipient code violations prior to any other repairs being made.** Any rehabilitation work performed prior to final approval for assistance through the program and/or that is not coordinated by a Housing Rehabilitation Coordinator will not be eligible for payment through our program. For further information, contact John Rutecki at (330) 643-2568 or www.co.summit.oh.us/executive/houseassit.htm.
