**Mission**
The Summit County Land Bank will support neighborhood and community reinvestment and economic development efforts through the strategic acquisition, reclamation, rehabilitation and reutilization of property in Summit County to revitalize neighborhoods and communities, stabilize property values, reduce blight, return property to productive use, and improve the quality of life in our community.

On June 4, 2012, the County of Summit established the Summit County Land Reutilization Corporation (SCLRC), more commonly known as the Land Bank. The purpose of the SCLRC is to serve as an agent of the County for the reclamation, rehabilitation, and reutilization of vacant, abandoned, tax-foreclosed or other real property within Summit County. The SCLRC is organized under chapters 5722 and 1724 of the Ohio Revised Code and is governed by an appointed Board of Directors.
