

Lance Pressley

Victim Services Coordinator

Lance Pressley has been employed by the Summit County Prosecutor's Office since April 2002. He is a graduate of The University of Akron with a Masters Degree in Public Administration and has a Bachelor of Arts degree in Sociology from Kent State University.

He previously worked for the Ohio Department of Jobs and Family Services as a case manager and had recently worked in a position assisting clients of Ohio Works First with job training and placement. He has also been involved in many community organizations in the Summit County area and works with a variety of groups within the community to prevent crime, promote safety, and address a wide range of quality of life issues. Lance is one of two full-time Victim Advocates at the juvenile level.
