

Claudia Sengos

Victim Services Coordinator

Claudia Sengos has been with the unit since 2001 and is a certified Community Crisis Response Team member with the National Organization of Victim Assistance. Claudia is a licensed social worker and received her undergraduate degree in social work from the University of Akron.

Prior to her service with the Summit County Prosecutor's Office, Claudia was employed with the Victim Assistance Program where she received the Staff Merit Award in 1998 for her dedication to assisting victims of crime. Throughout her career as a victim advocate she has worked in the municipal court system, responded directly to the scenes of violent crimes to provide assistance to victims and survivors, and currently assists numerous victims and witnesses through the criminal justice system at the Common Pleas level.
