CRIME ALERT

FROM: PROSECUTOR SHERRI BEVAN WALSH

DATE: FEBRUARY 9, 2008

Refund from the Department of Energy

Have you received an e-mail or phone call from The Department of Energy claiming you are eligible to receive a refund? The e-mail instructs the victim to click on a link that could either infect your computer or asks you to fill out a form with personal information. The criminal even gives a return e-mail address of refund@energy.gov, which does not exist.

If you are qualified to receive a refund or if you owe monies, The Department of Energy would not contact you by e-mail.

This example is another reason to not give out any personal information on the Internet or to anyone else. If intimidation is used to try to coerce you into giving your information, hang up and call the police immediately and they can help you. You can also call the Department of Energy at 1-800-342-5363 to report this fraud.

If you would like to be added to our e-mail list to receive alerts and other useful information from my office, please call (330) 643-2796.

Please feel free to call my office anytime if there is any way we can assist you.
