ALERT!

THIRTY CASES REPORTED OF NEW SCAM!

Our local police departments in Summit County have received over 30 calls from concerned citizens about a new scam.

This is how the scam works: someone pretending to be a construction worker knocks on the door of a homeowner and tells them they are building a fence for the neighbor. He is not sure where the property line is and asks the homeowner to come outside and show him. While the homeowner is outside discussing the property line, another person burglarizes the home.

If you are not expecting anyone, don't answer the door. Keep your doors locked at all times. If your front door is open for fresh air, lock the screen door.
